Clear Speech, Second Edition, is a highly successful and innovative pronunciation course for intermediate and advanced students of English. The Student's Book emphasizes those aspects of English pronunciation that contribute most to intelligibility: rhythm, stress, and intonation.

In addition, it teaches students to focus their attention on individual speech sounds that carry important grammatical meaning, such as the verb-final *d* that signals the past tense, and the noun-final *s* that signals plural. Students learn to use all these features to provide navigational guides for the ...
