This title in the award-winning "Eyewitness" series shows Germany at its best, from the Baltic Sea to the Romantic Rhine to the Black Forest. Visit the world-class cities of Berlin and Munich with the help of 3-D aerial maps, floor plans of the best museums and cutaways of historic buildings. Make the most of the beautiful countryside with the help of pictorial maps and tours. Learn more about German culture with special features on music, art and literature or gear up for outdoor activities, from skiing to hiking in the Alps.
